

Associate Member Benefits

The Providers' Council is the largest statewide association of community-based, human service providers in Massachusetts. The Council is proud of its diverse membership comprised of more than 200 agencies that provide services for people who may need assistance or support, such as: people with developmental or physical disabilities; people with behavioral health or substance abuse issues; children; elders/older adults; survivors of domestic violence; and people who are homeless. The Council also works with 50 business, educational and institutional members that support the sector. Our Associate Members receive a variety of benefits for supporting the Council and our provider members. **Make the most of your Providers' Council Associate Membership!**
