

CARF Child and Youth Services Standards 2023-2024

Relias offers online learning, staff compliance training, and continuing education for behavioral health organizations, intellectual/developmental disability providers, and child welfare organizations.

Relias Training Crosswalks are based on published accreditation standards. They are designed to assist organizations in the selection of courses from the Relias libraries to ensure and demonstrate staff competence according to the training standards. In some cases, it may be useful for customer organizations to develop training specific to the organization's individual needs.

General staff compliance trainings should be selected to ensure the organization meets OSHA and other regulatory requirements. Staff training is only one element of a successful survey and the Crosswalks are not meant to take the place of a careful review and evaluation of your program to the accreditation standards.

The courses listed in the crosswalk are a representative sample of courses available in Relias libraries. It may not be necessary to choose all courses listed for a specific training standard; it is recommended that courses are chosen that closely align with the mission and services offered and the specific needs of the persons served.

Disclaimer: The following constitutes Relias, LLC's recommendation of course work for each listed Crosswalk Measure. Relias does not make any guarantee that such course(s) will be accepted by the accrediting body(ies).

CARF does not endorse the Relias product or services that Relias provides and this document's sole purpose is only to provide recommendations.

Section 3: Core Program Standards

3.C.13.g. - Behavioral Consultation

If consultation in Early Intensive Behavior Intervention (EIBI) is provided, the program trains interveners in behavioral management theory and practical skills.

Behavioral management theory and practical skills

Some suggested modules may be available in the Applied Behavior Analysis Services Library

Module Code	Module Name	Hours
REL-BHC-0-APCBEC	Addressing and Preventing Challenging Behavior in	0.50

	Early Childhood	
REL-ATS-0-BM2-V2	Decreasing Behavior	1.50
REL-ATS-0-VB1-V2	Increasing Behavior	1.75
REL-ATS-0-BM1-V2	Introduction to Applied Behavior Analysis	1.50
REL-ABA-0-SRPBIA	Strategies to Reduce Problem Behavior of Individuals with Autism	1.50

Section 3: Core Program Standards

3.D.2. - Call Centers

The call center program provides documented training to persons providing services at orientation and at regular intervals that:

Is guided by and includes:

1. A written training plan
2. A detailed curriculum
3. A post-training assessment of competency

Module Code	Module Name	Hours
ORG CUSTOMIZED TRAINING	Organization Customized Training	0.00

Section 3: Core Program Standards

3.D.3. - Call Centers

The call center training program includes:

1. Mechanisms for modeling and evaluation
2. Updates to reflect current community issues or trends
3. Field trends or research

Module Code	Module Name	Hours
ORG CUSTOMIZED TRAINING	Organization Customized Training	0.00

Section 3: Core Program Standards

3.F.2. - Child/Youth Day Care

Personnel receive documented, competency-based training to meet the identified needs of the children/youth served at orientation and regular intervals that covers:

Attachment theory

Module Code	Module Name	Hours
REL-BHC-0-AD	Attachment Disorders	1.50
REL-ACCRED1	Choose Appropriate Courses from Relias Learning	0.00

	Libraries
