

# 12th Annual Caring Force Rally

***Advocate for a livable wage and a student loan repayment program!***

Most funding for salaries at human services agencies comes from state contracts. The low wages in the human services sector increase the rate of job vacancies and create waiting lists for services.

At the rally, you will hear from several of your peers in the sector talking about the need to pass our two bills that would create a **student loan repayment program** and a **livable wage** for the human services sector.

After the rally, we will go to our legislator's offices and speak to them directly about the needs of the sector.

***Sharing your human services story can help turn our bills into law this year!***

**WEDNESDAY - MAY 22, 2024**

**GREAT HALL, STATE HOUSE  
24 BEACON ST, BOSTON, MA 02133**

**10 AM TO 11 AM RALLY  
11 AM TO 1:30 PM LEGISLATOR VISITS**

**RSVP HERE**
