

The Leadership Initiative

A cross-agency mentoring program for Providers' Council organizations, designed to support career growth in the human services sector.

The Leadership Initiative was created to:

- Cultivate the leadership qualities of individuals in the human services sector.
- Support emerging leaders through connections to established leadership.
- Foster collaboration and career guidance, while promoting knowledge of the sector.

Mentors are:

- Individuals with experience in the human services sector, including middle to upper-level supervisory roles;
- Passionate about supporting emerging leaders to accomplish their professional development goals.

Mentees are:

- Aspiring or current leaders eager to advance and remain in the human services field;
- Individuals willing to listen, learn and grow through partnership with a mentor.

The Providers' Council is accepting applications on a rolling basis, and mentor/mentee pairs will be made as applications become available.
